

February 1, 2014

Dear Art Teachers, Counselors and Students:

The Hinds Community College Art Faculty would like to share with you some important information concerning our freshman art scholarships for Art majors.

The Raymond campus Art Department provides an opportunity for art students to receive financial assistance based primarily on artistic merit. We are happy to be able to offer a limited number of partial or full tuition scholarships to deserving students. Please provide the enclosed information to any student interested in art as a career. Additional forms may be copied or requested.

The deadline for receipt of application materials for the Art Department Scholarships is Thursday, March 6, 2014, no later than 2:00pm. All material must be delivered or mailed to the art department on the Raymond campus. Application for the Art Department Scholarships must be made independent of other institutional scholarships, such as the ACT or Development Scholarships. Students are also encouraged to apply for the Katherine Denton Art Scholarship, which is a Development Foundation Scholarship.

We would also like to invite all who are interested to visit the Raymond campus, meet the art faculty, and tour the art department. If you have students considering an art-related career or program of study, we hope that we can be a part of their plans. Give us a call if you need additional information, forms or assistance. (601-857-3275 or 601-857-3277)

Sincerely,

**Melanie Atkinson, Chair
Art Department**
