

Medical Assisting Technology

Admission Requirements:

1. Application for admission to Hinds Community College.
2. Application for Selection to the Medical Assisting Technology Program.
3. Validation of high school graduation by official high school transcript, GED equivalency transcript, or college transcript
4. Official transcripts from all colleges attended, except Hinds Community College.
5. ACT composite score of 17, effective July 1, 2012. (14 if taken before October 1989).
6. Applicant must be eligible to take College Algebra (**MAT 1313**) and English Composition I (**ENG 1113**) as determined by the Hinds Community College mandatory Testing and Placement procedure.
7. All required courses must be completed with a “C” or above, and science courses taken prior to admission must have been completed within five years of entering the first Medical Assisting Technology class.

Process for Selection:

1. Preference will be given to applicants who complete the application process by March 31st for fall admission.
2. Individuals who have submitted all required admission documents by the specified deadline will be considered for program admission based on a rating scale that includes: ACT Composite score; ACT Math and Reading sub-scores; and previous military service/certificates/degrees. Individuals can also receive points if they have completed any of the following courses with at least a grade of “C”:
English Composition I **ENG 1113**
College Algebra **MAT 1313**
Human Anatomy and Physiology Lab I **BIO 2511**
Human Anatomy and Physiology I **BIO 2513**
Human Anatomy and Physiology Lab II **BIO 2521**
Human Anatomy and Physiology II **BIO 2523**
3. Applicants not selected for a class may reapply for subsequent classes by submitting a new Application for Selection to the Medical Assisting Technology Program.
