

## Hinds Community College Radiologic Technology Program

Process for Selection for Transfer Admission:

1. Transfer applicant must meet all requirements listed in the criteria for selection to the Radiologic Technology program.
2. Transfer applicant must submit a letter of Good Standing and written recommendation from previous JRCERT Accredited Radiologic Technology program.
3. Credit for transfer courses will be evaluated on an individual basis by the program Department Chairperson.
4. Courses must coincide with Hinds Community College Radiologic Technology program's curriculum time-frame.
5. Transfer applicant must participate in a scheduled orientation session.
