 Utica, MS 39175

STEM-UP is a Science, Technology, Engineering, and Mathematics Undergraduate Program. The Hinds UC³T STEM-UP Initiative is designed to increase the number of minority students who complete Associate Degrees at the Hinds CC-Utica Campus and who are prepared to pursue a B.S. degree in STEM areas at four-year institutions. Hinds UC³T STEM-UP participants will receive full financial support to meet individual needs. Participants must be full-time students enrolled on the Utica Campus for the fall and spring semesters. Final application deadline is April 1 prior to the award year. For more information, complete the this form.

Eligible applicants must satisfy the following requirements:

- Be a high school graduate
- Composite ACT score of 17 or higher
- Cumulative GPA of 2.5 or higher
- Submit an application to Hinds Community College
- Enroll at the Utica Campus of Hinds CC as a full-time residential student
- Submit application and all required documents by April 1 deadline
- File the Free Application for Federal Student Aid (FAFSA)
- Participate in the Hinds UC³T STEM-UP Initiative Summer Camp
