**NOTES:**

1. For Airway Science majors, student must take Calculus Based Physics I and II (PHY 2313/2311 and PHY 2323/2321).

**\*These courses are not taught every semester. Thus it is important to work with an advisor and check the schedule each semester to see when the courses will be taught. The sequence of courses must be maintained in order to complete each of them before transfer to Delta State. Failure to do so will delay a student's completion of the four-year program.**

Contact the Department of Commercial Aviation at Delta State University at 662-846-4205 for additional information regarding this program. The Department of Commercial Aviation at DSU offers a department scholarship for **one** transferring student with qualifying grades. Contact the CAV instructor to secure this recommendation.
