No grade below "C" will transfer into the nursing program. Minimum requirements for admission include: Completion of all prerequisite courses, a cumulative GPA of 2.5 or higher and NLN (Pre-Nursing & Guidance Test) score of at least 50th percentile (required of all students who are not RNs). **MC gives first preference to students currently enrolled at MC, thus, most Hinds students choose to transfer to MC at least one semester before they plan to enter nursing school so they will be considered as a currently enrolled MC student.** For more information regarding this program, contact the School of Nursing at MC at 61/925-3278 or visit the website at <http://www.mc.edu/admissions/undergraduate/transfer/transfer-credit/>. For information regarding enrollment, contact the Office of Enrollment Services at 601/925-3800 or 1-800-738-1236.
