			Total Hours = 64			
	2		In addition, students must take and receive credit for Orientation – LLS 1312			LLS 1312

NOTES:

- The student pursuing a Bachelor of Science degree should take additional courses in his subject field: ex. more history, English, mathematics courses, etc.. He must also take 6 hours of physical science in sequential courses and should review his declared major before deciding whether to take BIO, CHE or PHY courses. Students pursuing the Bachelor of Arts degree should select two years of the same foreign language. Hinds Community College teaches French and Spanish. Students must take and pass the PRAXIS Examination before being admitted to the Teacher Education program. Application packets for this test are available in the Academic Counseling Department on the Raymond Campus. Effective Fall 1996, the State Board of Education approved an exemption to the PRAXIS requirement for any student who had an ACT composition score of 21 (SAT equivalent of 860) with no sub-score below 18 UPON HIS/HER INITIAL ENTRANCE INTO COLLEGE. A student who has earned credit before taking the ACT does not qualify for this exemption.

For additional information about the program, contact the MUW College of Education and Human Sciences at 662-329-7175. For information regarding admission, contact the Office of Community College Relations at 1-877-426-8439.
