			Total Hours = 66			
			In addition, students must take and receive credit for Orientation LLS - 1312.			LLS 1312

Notes:

1. A higher math than college algebra will also satisfy this requirement. If Quantitative Reasoning is chosen, College Algebra can be the second math course.
2. Students who lack intermediate proficiency must take 12 hours of the same foreign language beginning at the entry level to complete this requirement. At the current time, Hinds does not teach French III and IV; thus, a student choosing French should begin language study in the sophomore year.

For information regarding enrollment to Ole MS, contact the Ole MS Admissions Office at 662-915-7226. For information regarding this program, contact the Department of Communicative Disorders at Ole Miss at 662-915-7652.
