NOTES:

- Students with two years of high school credit in one foreign language may begin that language at the intermediate level; however, an additional course in the same language must be taken at the 300 level at Ole MS. All students may choose to take the 12 hours of the required language at the freshman and sophomore levels. At the current time, Hinds does not teach French III and IV; thus, a student choosing French should begin language study during the sophomore year.

For additional information regarding this major, call the Department of Legal Studies at Ole MS at 662-915-7902.

For information regarding enrollment at Ole MS, contact the Ole MS Office of Admissions at 662-915-7226.
