<b>Total hours = 66</b>				

\*Prior credit in a high school biology course or credit in a college biology course is strongly recommended before enrolling in this class. This course is not appropriate for students enrolled in developmental courses.

\*\*A year of high school chemistry or equal value college chemistry course is required prior to enrollment in General Chemistry. In addition, the student must be at the Level 3 "Intermediate Algebra" placement level to take Principles of Chemistry and the Level 4 "College Algebra" placement level to take General Chemistry.

\*\*\*\*Student may take General Chemistry I & II or Principles of Chemistry and a 2<sup>nd</sup> course in Introductory Organic & Biochemistry.

**NO GRADE BELOW "C" WILL TRANSFER INTO THIS PROGRAM.** UMC computes the grade point average based on ALL earned grades, not just the highest earned grade for a course or courses. ACT scores are required.

Application deadline is January 15, and sixteen hours of the science prerequisite courses must be completed prior to that deadline. Applicants must have completed (8) hours observation of a licensed or registered dental hygienist in a clinical environment. Contact the School of Allied Professions at 601/984-6300 for additional information regarding this program. Contact the Office of Admissions at 601/984-1080 for application deadline.
