

Bachelor of Arts Public Safety Administration

The Bachelor of Arts in Public Safety Administration (PSA) degree is designed to assist the First Responder (Fire, Law Enforcement, and others) to seek promotion by gaining their Bachelors degree. The client has the option to begin at the beginning with the general education curriculum or transfer in up to 62 credit hours from a community college through an Associate's degree in Arts. Once the client has completed the general education curriculum they may begin the take the courses that make of the core of this degree. At that time the client may select one of two emphasis areas, Business Management or Law/Government. Once that emphasis area has been completed the client may select one concentration area from the three concentrations that we offer: Fire Science, Law Enforcement, or the First Responder. For the client's convenience the degree is divided into four primary areas: General Education; the Core; the Emphasis; and the Concentration.
