Dear Art Teachers, Counselors and Students:

The Hinds Community College Art Faculty invites high school seniors to apply now for the Art Department Scholarship! We offer both partial and full tuition scholarships for art majors on the Raymond Campus.

The Art Department offers a broad-based program of study, with a selection of courses including: Design, Drawing, Art History, Painting, Ceramics, Photography, and Computer Art. In addition, the Raymond Campus features the Marie Hull Art Gallery, where exhibits from local and regional artists are featured throughout the school year, as well as art work from our own Hinds students.

Our dedicated faculty are committed to assisting students in the pursuit of their creative goals through strong curriculum, exhibition resources, and professional development opportunities. Our students benefit from small class sizes where our experienced faculty support student learning in a personal and creative environment.

Hinds Community College offers affordable tuition, and our scholarships make college even more attainable for our students. The Raymond Campus Art Department awards a limited number of scholarships to art students who demonstrate a high degree of artistic merit. We invite high school seniors to apply now using the enclosed forms! The application and file completion deadline is **Friday, March 9, 2018, no later than 12:00 noon**. Students are also encouraged to apply for a Foundation Scholarship at www.hindsc.edu. The Foundation Scholarship application deadline is **February 15, 2018**.

I would like to personally invite potential art majors to visit the Raymond campus, meet our Art faculty, and tour the Art department; we love meeting students! Teachers and Counselors, if you have students considering an art-related career or program of study, I hope you will share with them the enclosed information. We are excited about having your students continue their education at Hind Community College. Please contact me if you need additional information, forms or assistance: 601-857-3275, 601-857-3274, or Sarah.Teasley@hindsc.edu.
